Speaker info:

Sondra Cosgrove is a History Professor at College of Southern Nevada and serves as the Executive Director of Vote Nevada, a nonprofit civic engagement organization that works in community outreach, civic empowerment, and advocacy for civil rights. She is involved in a wide range of college service, including the CSN Women's Alliance to deconstruct barriers blocking women from success.

Sondra received a Ph.D. in History from UNLV, with areas of specialization in the U.S. West, Native American History, and Latin America.
