

SCA Democratic Club
Policy Statement Regarding Club Dues

The SCA Democratic Club (CLUB) collects annual dues for each year starting July 1 of the prior year through February. The last day of February is the final date for collections as provided by the SCA Chartered Club Guidelines and Rules (CCG&R's).

In accordance with SCA CCGR's, dues collected from March 1 through June 30 are to be classified as new members for the current year. This includes dues collected from prior year members who missed the February renewal deadline. There are no guidelines for making any adjustments/apportionments to the annual dues amount.

New member dues payments collected after July 1 will be treated as dues collections for the the next calendar year.

CONSIDERATION: The CLUB Bylaws Article III, Membership, Section C/Guest Policy states in part that eligible resident guests are permitted to attend functions a maximum of five times per year and must then become members to continue enjoying benefits.
